Charles Miller, the sixteen-year-old boy who smothered the skull of George Snyder at Valley, Lewis county, election day, had his preliminary hearing yesterday morning, and was held to await developments in the condition of Snyder.

SAVED HIM THE MITTEN!

Fleming County Girl Quietly Merits the Other Felony.

Ordinarily, especially at this season of the year, a present from a pretty girl of a pair of gloves is very acceptable; but when a fellow "gets the mitten" as this one did, it has a tendency to make him just a trifle too warm.

Thomas Watson of the Tilden neighborhood was engaged to pretty Miss Lisa Phelps of Martha Mills.

The wedding was set for Thursday

Tuesday night Walker Call and Miss Phelps drove into Flemington, hunted up the County Clerk, secured license and were married by J. I. Kendrick at the Clerk's office about 12 o'clock, and went on their way rejoicing.

Wednesday morning the groom that was to have been came into town to secure license, and his feelings may be imagined when he learned how matters stood.

Mr. George Pollett has opened his butcher shop in S. R. Powell's building, and invites his friends to call.

The venerable John Loughridge, whose illness has been already noticed in THE LEADER, died at Manchester, O., at 5 o'clock this morning, aged 83. He was an uncle of Hon. Henry L. Newell of this city, and last member of the family as his mother's side.

The Paris City Council has selected Frank R. Armstrong to fill out the unexpired term of Mayor John T. Hinton, Representative-elect from Bourbon county. Mr. Armstrong was sworn in Thursday night. Will Hinton will fill out Mr. Armstrong's term as Councilman.

JUDGE HOLT MAY RUN.

His Senatorial Candidacy Being Urged by Many Republicans.

The friends of ex-Chief Justice William H. Holt are using his name in connection with the Senatorship, and while Judge Holt himself is not taking about it, it is known that he would not decline the honor.

It is regarded at Frankfort as almost certain that Judge Holt will be a candidate in the event Republicans have a majority on joint ballot, as he has already received many letters from prominent Republicans over the state urging him to make the race.

Judge Holt was the first Republican ever elected to the Kentucky Court of Appeals Bench, and has long been known in Eastern Kentucky as a hard worker for his party.

The Republicans of Northeastern Kentucky are especially pleased with the prospect of Judge Holt's candidacy, and in the event of his success they will be immeasurably delighted.

Mr. Emily Amos, aged 89, died in Flemingsburg a few days since.

Ben. Triplett, aged 60, died near Poplar Place a few days ago on the farm on which he was born.

Democrats at Lexington have raised an objection to the election of the Woman's ticket for the School Board, alleging irregularities.

Councilman Frederick Dressel of the Sixth Ward had a jolification at his home last night. Oysters were served and delightful music was rendered.

In Fayette, Wood Dunlap will contest the election of Kaufman to the Legislature on the ground that the returns from two precincts were held out a suspiciously long time.

Miss Lillie Pickett Smith, daughter of Mr. and Mrs. T. H. N. Smith of East Third street, gave a party to a few of her friends last evening, which was thoroughly enjoyed by all who attended.

Charles Buckner, a colored boy 14 years of age, living near Hopkinsville, died in convulsions from the effects of having eaten a large watermelon. He found it in a field and kept it from his friends. Almost as soon as he had eaten it he was seized with convulsions, and suffered terrible agony until relieved by death.

Hon. John W. Yerkes of Danville, Chairman of the Republican Central Committee, has announced that he is not and will not be a candidate for the United States Senate. As Mr. Yerkes would have gone into the race with nearly all of Eastern Kentucky at his back, his refusal to allow the use of his name will cause new figures to be made all around.

Miss Sallie Cullen died near Flemingsburg.

Harrison Warren, aged 36, died of typhoid pneumonia in Fleming.

Mrs. John L. Chamberlain, who has been ill with malarial fever, is better.

Joseph Mase, Jr., and George Watels were arrested by Constable Dawson on a charge of petit larceny.

W. Scott Stevenson has sold and covered 50 acres of land near Murphysville to J. W. Huddleston for \$1,600.

Chenoweth's Meadocho Cure cures headache, 10 and 25 cents per package. Which hurts worst—headache or 25 cents?

Robert Skinner, Walter Bly and William Jackson were fined \$5 and costs each in Squire Brannell's Court. They were charged with boozing C. and O. freight trains while in motion.

Judge T. M. Rice, aged about 70, died near Booneville, Mo., on the 6th inst. His wife is a sister of Mr. William West of this city. Judge Rice was a prominent G. A. R. I. O. O. F., Masonic and K. P. member.

Miss Elizabeth Power entertained the Epworth League of the M. E. Church, South, last evening at her beautiful home on the Fleming pike. There was a large number present, and all enjoyed the hospitalities extended by the charming hostess. Refreshments were served.

Mrs. Maggie Bishop, the sixteen-year-old girl who donated a boy's suit of clothes and smuggled instruments to her lover, William Burns, by which he escaped from the Vancleave Jail, waived preliminary examination and has been remanded back to jail to await the action of the Grand Jury which convenes in January. She has the sympathy of all of the entire community.

Mr. William L. Pogue is able to be on the streets.

Mr. Will H. Lyons of Campbell county is a candidate for Speaker of the House.

James Ashcraft and Miss Callie Ashcraft are among the recent marriages in Robertson.

Rev. W. O. Cochrane is still confined to his room, and is not able to stand on his feet.

William Anderson, colored, was arrested by Constable Dawson, charged with obtaining goods under false pretenses.

Good advice—Never leave home on a journey without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by J. James Wood, Druggist.

Miss Margaret Duke Watson entertains this evening with a 5 o'clock tea to honor of Miss Rebecca Martin and Miss Doty Feed of Millersburg.

The total vote of each candidate in Lewis county is—Bradley 1,571, Rumans 1,813, Pollitt 1,970. These figures give Bradley 531 majority. Rumans 675, Pollitt 944.

The ladies of the Relief Corps gave a pleasant surprise to Mrs. Nettie Combs of Forest avenue Wednesday evening, where they were delightfully received. Dancing was the enjoyment of the evening. An elegant lunch was served. Music by Austin's Mandolin Orchestra.

Mrs. Bailey gave an entertainment Wednesday evening at her home on Wood street. Among the guests were Misses Nannie Bradley, Hattie, Allie and Luella Teitel, Lillie Fleming, Lula Young, Lillian Frost, Mary Yarnell, Belle Whittington, and Messrs. Jake Thomas, Frank Ryder, Joe Wells, Edward Chubb, Elmer Grim, Jim Allie and Elbert Pangburn. All had a delightful time.

MAYSVILLE WEATHER.
What We May Expect For the Next Twenty-Four Hours.

We will take pleasure in presenting him with a year's subscription to THE LEADER.

Fresh Fish today at Martin Bros.

Fancy new Crop Molasses at G. W. Geisel's.

Mr. James Hendrixson, the well known painter, is in poor health.

Whiskers that are prematurely gray or faded should be colored to prevent the loss and Buckskin Dye excels all others in coloring brown or black.

Hon. E. T. Burrum of Madison county is being talked of as a probable candidate for Speaker of the lower branch of the Legislature. Of course he is a Republican.

TRADE REVIEW.

Dun & Co's Report of the Business of the Country.

Frick Controls Three-Fourths of the Coke Ovens in Connellsville District.

Woolen Mills Closing to Wait for Orders—The Market for New Cottons Held—A Few Stocks Have Declined—The Number of Failures.

NEW YORK, Nov. 9.—R. G. Dun & Co's report says: The liabilities of firms failing in October were \$16,179,336 against \$10,747,943 in five weeks last year, and \$24,054,138 in 1893. Failures for the week were 240 in the United States against 361 last year and 49 in Canada against 42 last year.

It has been a broken week, and just before another after election on the subject of the state's operations have significance. Stocks and products are weaker and there is some decrease in the number of establishments at work, both for reasons of government. The purchase of competing goods gives the N. C. Frick Co. ownership of 1,000 out of 17,000 coke ovens in the Connellsville region and practical control of more than three-quarters and in advance in the price of coke is expected.

The United States Leather Co., holding great quantities produced from high priced hides and outside prices, is reducing prices of leather and has stopped production for sixty days, in order to control the market. Manufacturers have offered concessions ranging from five to ten cents per pair, only increasing the indispensation to buy.

Many woolen mills are closing to wait for orders, though the demand is fairly satisfactory for some dress goods and worsteds, and the Washington Mills open city worsteds at 10 cents advance. But prices of these and most qualities of woolens are still unsteady for manufacturers. The reduction in speculative prices of woolen goods abroad and the stiffness of speculative and cotton holders here reduced sales to 5,623,540 pounds for the week against 5,829,000 for the same week of 1892, but stocks of foreign wool here are very large. Cotton mills do well, as the halt and hesitation in cotton does not seem to be of goods, and many believe goods safe at current prices even if cotton is not. The market for raw cotton is held at 8 1/2 cents, in spite of a respectable estimate of only 6,435,000 bales for the year.

Stocks have declined an average of 10 to 15 for railroads and 10 to 20 during the week, with an obvious cause in fears of gold exports and serious financial anxieties abroad, especially at Paris. A coming conflict of present tangible competition against sugar, leather and tobacco. Railroad earnings reported for October are for the United States alone \$4,755,024, or 5.6 per cent over last year's; but, in spite of larger mileage, 2.4 per cent less than in 1892, the same ranks and the comparison for the third and fourth week was less favorable.

AN AGED MAN

Commits Suicide in a Sensational Manner in New Orleans.

NEW ORLEANS, Nov. 8.—A. G. Gridley, aged 55 years, formerly a resident of Birmingham, Ill., committed suicide in a sensational manner. He went into a second-hand store and wanted to be given a pistol. The dealer handed him a pistol, which he appeared to examine very closely. He then asked for a cartridge, which was given him. Gridley then placed the pistol in the pistol and for perhaps half a minute seemed in deep study. Suddenly he placed the pistol to his head, and fired and fell dead. He had been drinking and his mind was apparently affected. His wife and grown son in Birmingham were notified.

Colored Man Highly Honored. ALBANY, N. Y., Nov. 9.—James C. Matthews, colored, formerly recorder of deeds at Washington, D. C., under President Cleveland's first administration, has been elected judge of the recorder's court of this city, which carries with it a power of supreme jurisdiction. His majority is over 8,000. He was nominated and elected on the regular democratic ticket. It is the highest judicial office ever held by a man of his race in this country.

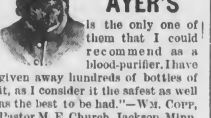

Fugitive Indicted. HUNTINGTON, W. Va., Nov. 6.—The grand jury, which has been in session for a week past, Friday investigated several false contests that took place in this city recently, and Friday night reported that they had indicted Dave Fishery and Dick Wilson, of Cincinnati, and John Hingham, who had been the principals in the "mills," and also indicted my prominent man who had anything to do in bringing them together.

Prisoners Escape. WINSTON, N. C., Nov. 9.—While a constable was in the act of taking a Negro out of jail to attend trial Friday morning, he was knocked down by other prisoners, six of whom escaped, all Negroes. One of them, John H. Havel, was awaiting trial for attempted rape. The others were in prison for larceny. There were 18 in the corridor at the time of the delivery. The runaway are said to be surrounded in the woods near Winston.

Carlisle's Nephew Acquitted. LINDEN, N. H., Nov. 9.—Dr. R. H. Mullins, nephew of Secretary of the Treasury John G. Carlisle, was Friday acquitted of the charge of murdering J. W. Blake. On the afternoon of the 27th, 1894, Mullins and Blake met in a "blind pig" at Arona. Mullins shot Blake three times as the result of a quarrel that ensued. At the trial Dr. Mullins proved that he acted in self-defense.
